SUPPLEMENTARY INFORMATION:

DHS S&T provides a secure website, accessible through www.SAFETYAct.gov, through which the public can learn about the program, submit applications for SAFETY Act protections, submit questions to the Office of SAFETY Act Implementation (OSAI), and provide feedback. The data collection forms have standardized the collection of information that is both necessary and essential for the DHS OSAI.

The SAFETY Act program promotes the development and use of anti-terrorism technologies that will enhance the protection of the nation and provides risk management and litigation management protections for sellers of QATT and others in the supply and distribution chain. DHS S&T currently has approval to collect information for the implementation of the SAFETY Act program until March 31, 2016. With this notice, DHS S&T seeks approval to renew this information collection for continued use after this date. The SAFETY Act program requires the collection of this information in order to

evaluate and qualify Anti-Terrorism Technologies, based on the economic and technical criteria contained in the Final Rule titled, Regulations Implementing the Support Anti-Terrorism by Fostering Effective Technologies Act, for protection in accordance with the Act, and therefore encourage the development and deployment of new and innovative anti-terrorism products and services. The SAFETY Act (6 U.S.C. 441) was enacted as part of the Homeland Security Act of 2002, Pub. L. 107–296 establishing this requirement. This notice and request for comments is required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. chapter 35).

DHS S&T currently has approval to collect information utilizing the Registration of a Seller as an Anti-Terrorism Technology (DHS Form 10010), Request for a Pre-Application Consultation (DHS Form 10009), Notice of License of QATT (DHS Form 10003), Notice of Modification of QATT (DHS Form 10002), Application for Transfer of SAFETY Act Designation and Certification (DHS Form 10001), Application for Renewal of SAFETY Act Protections of a QATT (DHS Form 10057), Application for SAFETY Act Developmental Testing and Evaluation Designation (DHS Form 10006), Application for SAFETY Act Designation (DHS Form 10008), Application for SAFETY Act Certification (DHS Form 10007), SAFETY Act Block Designation Application (DHS Form 10005), SAFETY Act Block Certification Application (DHS Form 10004) until March 31, 2016 with OMB approval number 1640-0001.

The Department is committed to improving its information collection and urges all interested parties to suggest how these materials can further reduce burden while seeking necessary information under the Act.

DHS is particularly interested in comments that:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Suggest ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Suggest ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
